- EVKJ
 - Rural area west of city proper
 - Just past Shoshone to Easy Street; 49 Palms Oasis; parts of Sherman Heights
 - Affected by the same power outages
- Teeney Hood
 - Indian Cove - neighborhood is West of 49 Palms to Rattlesnake Wash and Shoshone and Southside national park boundary
 - Highway 62 is used as a dividing factor but it should not be
 - Communities that are 5 miles down from Highway 62 east and west can have more in common with each other. So these districts would tend to be north and south, not divided by 62.
