

Help shape the future of Twentynine Palms

**You are invited to participate in the upcoming City
of Twentynine Palms Redistricting Workshop:**

Thursday, October 14, 2021 at 6PM

Zoom link: <https://us02web.zoom.us/j/87016978330>

Meeting ID: 870 1697 8330

Dial-in by phone: 1(669)-900-6833

The workshop will provide an overview of redistricting, hands-on training of the map drawing tools and you will be able to provide input on what you believe are your neighborhood boundaries and communities of interest.

Redistricting occurs every 10 years following the release of the Census results. It redraws district lines based on population changes indicated in the Census at the State, County and City levels. Residents are encouraged to participate in the process by attending hearings, workshops or submitting a map of Council district lines!

For more information on the City's redistricting process or workshop, visit draw29palms.org.
